

2018 Coal Education Grant Application Questions and Answers

5-14-18

Q: I noticed on the Budget justification that it asks for Cost share/match but there is no worksheet for it. Just looking for clarification. Is cost share/match required this year?

A: You do not have to include cost share.

5-4-2018

Q: Is tuition reimbursement an acceptable item to include to better prepare faculty for energy related research?

A: The agency cannot provide guidance on what you choose to include in your application. The applications will be reviewed and scored on the merits of the project(s).

5-3-2018

Q: Would you be able to share successful applications that were previously awarded?

A: This type of information would be handled through an open records request. Visit <http://eec.ky.gov/Pages/OpenRecords.aspx> for more information.

4-26-2018

Q: Are local governments eligible to apply for the 2018 Coal Education Grant Program?

A: Local governments are eligible to apply for coal education funds.

4-12-2018

Q: Is there a possibility of an organization being awarded more than one grant?

A: The Cabinet reserves the right to award multiple agreements to applicants conforming to the requirements of this Grant Program and in the best interest of the Commonwealth.

Organizations may prepare and submit applications on behalf of client organizations (one or more). However, the client organization must include a letter of participation in the application package. The Department will only enter into an Agreement with the client organization.

An organization may submit multiple applications if it has the capability and expertise to do so.
